#### South Carolina Association Members:

Thank you for your patience!

The recount of our election ballots using the balanced meeting method has been completed for the positions of President, 2nd Vice President, and Treasurer. The current board felt that by being proactive and using this balanced meeting method and making sure athletes have a minimum 20% of the votes, brings us into compliance with the National bylaws and the Amateur Sports Act.

Special thanks to Marcus Thomas (official), Ian Whatley (active athlete/official/coach), and Sam Kennedy (coach/official) for being ballot counters and Tracy Meyers (law & legislation chair/master's LDR chair), Joyce Welch (active athlete/coach/cross country and women's LDR chair), and Pat Frye (official) for being observers during the recount.

The recount method and cross-check method will be posted on our website under documents.

Congratulations to all of our 2018 USATF-SC newly elected officers:

- President - Brian Jordan
- 1st Vice President - Tami Dennis
- 2nd Vice President - Steve Mullaney
- Treasurer - Wayne Lacy
- Secretary - Susan Heiser-Whatley

Please join us in welcoming and supporting the new officers as they take on the task of moving our association forward and meeting the accreditation requirements.
