2. Due to the absence of President Clarence Richardson, I was voted in as the acting President by the remaining officers. TaMara Sloan was appointed acting Secretary to fill the vacant Secretary position that had not been filled by Clarence Richardson. By contacting the National office, it was determined that the association was in good standing for the 2018 annual convention. It was also determined what the association needed to accomplish to be fully accredited for the 2019 convention. I assisted with preparations for the SC association annual meeting to be held on August 11, 2018. Requests were made of all committee chairs and officers to complete and submit a report of accomplishments from August 2017 to August 2018. Requests were also made of the 2017 delegates to complete and submit a report on the sessions they attended at the convention. All reports will be posted on the association website and made available for discussion during the annual meeting.
