IMPLEMENT and THROWING FRAME INSPECTION: All implements must be weighed, measured, and checked in at the designated Implement Inspection area 90 minutes prior to the start of the event. All Throwing Frames must be submitted by 09:00 for inspection at the Implement Inspection area. The Implement Inspection area is located in the building outside of turn 1 of the track. **Inspection of implements and throwing frames opens at 08:30.**

There are no facilities for overnight implement storage. All athletes that check-in an implement are required to check it out at the field event venue following competition completion. Implements not checked-in will not be allowed to be used. **Using an implement that has not been checked-in and inspected is grounds for immediate disqualification.**

RACERS and FRAME RUNNER INSPECTION: All Racers and Frame Runners must be inspected prior to competition. Inspection will be at the Implement Inspection area located in the building outside of turn 1 of the track. Inspection for Racers and Frame Runners will open at 08:00. **Using a Racer or Frame Runner that has not been inspected is grounds for immediate disqualification**

EVENT CHECK-IN: There will be separate check-in areas for Running and Field events. Athletes must check in at these designated areas 45 minutes prior to the event's scheduled starting time. All athletes will be required to remain in the designated warm-up areas after checking in.

COMPETITION BIB NUMBERS: All competitors must wear their assigned bib numbers during competition and on the front on their jerseys only. High Jump competitors may opt for the front of the singlet. Bibs will be distributed on the morning of the event. If an athlete loses the bib number, a replacement can be purchased for a fee of **\$5.00.**
