*All distances and heights are measured in meters and centimeters, rounded down to the nearest centimeter.*

*All running events 200m or less, and all horizontal jump field events, require a wind gauge reading. For a performance to be record-eligible, a wind gauge reading of 2.0m/s or less is required. Any performance exceeding 2.0m/s is not eligible for a record. Performances without a valid wind gauge reading, that otherwise might be a record, as noted as a **Notable Performance**.*

**NOTE:** USATF Regional realignment occurred in 2013. Region 4 consisting of Florida, Georgia, and South Carolina was established in 2013. As such, Region 4 Junior Olympic Track and Field regional records begin in 2013.
