### **Waivers:**

- **The standard Rule 300h waiver (non-resident) is available to youth athletes.**
  - The Rule 300h waiver must be submitted via the [USATF Connect system](#).
- **Association Waiver**

The USATF Junior Olympics is a progression-based program. Athletes must first compete in the Association meet. Athletes that qualify at the Association meet then compete in the Regional meet. Athletes that qualify at the Regional meet then advance to the National meet.

There are a few limited situations where an athlete may be eligible to request a waiver to advance to the Regional meet without first competing in the Association meet. Reasons for a waiver are limited:

- participating in a school Cross-Country Championship within 72 hours of the scheduled start of the USATFSC Association Junior Olympic Cross-Country Championships. (Home-schooled athletes that participated in sanctioned Cross-Country Championship may also choose this option.)
- a test such as the SAT, or any test required by the school
- a mandatory class required by a school
- Bereavement (death of a family member)

There are several things to know:

- In order to request a waiver, an athlete must first register for the Association meet.
- Again, an athlete must first register and pay for the Association meet prior to requesting a waiver.
- A waiver request for an athlete that is not registered for the Association meet will not be considered and will automatically be rejected.
- A waivers request is just that: it is a request. Waiver are evaluated AFTER the Association JO XC Championships have ended. By rule. An athlete is not allowed to displace an athlete that qualifies at the Association meet.
